Representative of ANBD,Tianjin _ Guo Jin Sheng
Representative of ANBD,Tokyo _ Nakajima Chie

I would like to extend my regards and gratitude to the enthusiasm and courage of many participants and the staff members of and artists and designers in 4 regions (Seoul, Tianjin, Taipei and Tokyo).

1st Asia Network Beyond Design (ANBD) Exhibition since it was held in Sapporo in 2008, celebrates its seventh anniversary in 2014 this year.

These exhibitions have been held in four regions of Asia. We have held 28 times exhibitions in four regions during this time.

The goal of the ANBD is to promote a meaningful exchange beyond the various genres through network, and it will be formed as the identity of Asia.

Asian soul is found in the form of graphics, information and objects. The representations of Gods or cosmos also show our traditional Asian soul.

ANBD2014 is going to challenge, on the common theme of "Asian Soul in Form", to visualize Asian spirit in every kind of embodied forms.

I want to build relationships through the exchange of expression of the soul of Asia that is based on a common theme, such as the soul of Asia. Only through human interaction like this, smooth relationship with the world will be realized.

We hope the success of this exhibition along with everyone.

Akira Harada

President, Association of Asia Network Beyond Design
Emeritus Professor, Sapporo City University

Welcome Remarks by President Hsieh, Yung-Cheng, Ph.D.

First of all, I am very honored and pleased that ANBD has kindly provided National Taiwan University of Arts with the opportunity to hold 2014 ANBD. The College of Design is responsible for planning the exhibition this year. I believe that, under the leadership and planning of the Dean of the College of Design, the exhibition will be perfect and complete!

ANBD, by means of multi-national cooperation, gives Japan, South Korea, China, and Taiwan, four regions of diverse cultures, a channel to offer interpretation as well as conflict and clash of thoughts and ideas as to the main theme in the form of design with cultural nature and elements. With the concept of alliance, ANBD has successfully proven that, in such a competitive circle of design, "Asian Power" can not only achieve more ambitious and significant goals with collaboration, but also voice to the global community as a union, presenting the multi-faceted appearance of Asian design as well as showing the strength of design featuring Asian cultures.

The theme of 2014 ANBD is "Asian Spirit and Form". The theme is aimed to explore and reflect upon the spirit and form of Asian design through the inner depth of the basics in life and culture. Specifically, 2014 ANBD appeals to us, who have long been influenced by mainstream culture of western design, to seek the power for inspiration and thus weave the culture of design characteristic of Asia, which also offers a platform for dialogues and exchanges to the audience on this thought-provoking issue.

This year, the main event venue is in Tokyo, Japan, whereas exhibits are held in Taipei, Taiwan, Seoul, South Korea as well as Tianjin, China at different settings of time, spanning from August to December of 2014. The exhibition to take place in Taipei is scheduled from October 7 to 12, 2014, situated at National Taiwan University of Arts. We sincerely welcome you all to join us!

President Hsieh, Yung-Cheng, Ph.D.

A handwritten signature in black ink, appearing to read "Hsieh".

Asia Network Beyond Design (ANBD) has offered a platform to the Asian designers for artwork exhibitions and exchange. It will be very helpful not only to developing our researches and artworks but also to accomplishing the true identity of each country and the characteristic of Asia.

In the year 2014, the ANBD exhibition will travel in Seoul, Taipei, Tianjin and Tokyo from August to December, all the participants have chance to communicate with other designers by the works. Furthermore, there are lots of things to learn from culture spirits and take cues from all the participants' works.

The common theme of the seventh Asia Network Beyond Design is "Asian Spirit and Form". Through drastic cultural exchanges, we absorbed Western cultures seemingly so much as to be assimilated with them. However, we need to be aware that Asian cultures still remain totally different from those of the West. We hope that the hosting institution can inherit and enlarge the energy that is passed down from the past and then plan the most perfect display for those artworks made by designers, artists and scholars from four regional cities during the anniversary celebration. I am sure the exhibition, in addition to interchange, can benefit our faculty and students and broaden their academic, design, and creative view. In conclusion, I sincerely wish the exhibition this year a great success.

Dr. Chang-Fran Lee
