#### Opening Address

It is continuing for 8 years as proposal that the exhibition in each areas, for the representation of identities regarding new solutions for everything on the earth.

You may compare what you have own identities while observing every represented works in 4 regions in order to deepen your knowledge on identities.

In 8th ANBD2015 exhibition, we have a common theme of "Sky, Land, Wind, Thing".

Before designing and making artworks, please think how to solve the relationship between human and this theme, "Sky, Land, Wind, Thing". This theme to explore, serve to human environment formation of our Esthetic consciousness, it has a great significance for the people who live in this world.

Through the platform of representation on the identity in 4 areas, we are sure to be able to generate new creative view. I sincerely hope to be a great success of this exhibition.

At this year's late autumn, the ANBD exhibition and forum of 2015 will be held in the beautiful city -Chengdu, when it is comes, there will many designers and institutions designed professional teachers and students from mainland China, Taiwan, Japan, Korea and Germany gather in the hundred-year-old campus--Sichuan University, commonly witnessing the grand occasion of the exhibition, sharing the joy of creative design, discussing the frontier topics of art and design , exchanging designed practice experience and theoretical thinking. I believe, that this is a cross national boundaries and cultural's professional peak dialogue, which is a visual feast based on different traditional cultural context and faced common problems. As the host, the President of the College of Art, Sichuan University, I am looking forward to this event, warmly and sincerely welcome all experts and friends to be present! I believe that the gathering time will be our common happy memories.

Broader Horizon, Wider Stage

"Asian alliances beyond design organization (ANDB)" , the eighth ANDB exhibition of the year 2015 ,opening in Chengdu, this is a theme design works of medium in Asia with which is to beyond the national and regional innovation concept of communication, a kind of beyond the professional design classification of original design innovation of collision, is also the Asia's contemporary design level and overall design culture identity show. The theme of "heaven, earth, wind, material", which is designed to transcend geographical, ethnic and political restricts, and from the height of the consciousness of common human beings, forming the understanding and care to man and nature. In order to stimulate the creation of the material world as well as the new demand of the spiritual world, and with the design of the continuous innovation concept to meet the changes of human's development of material consumption and spiritual and cultural consumption, and improve the added value of design innovation. This is the materialized of wisdom, is the crystallization of thinking, design as the greatest expression of creative activities of human wisdom, which has penetrated into all aspects of people's lives, and is closely linked to people's lives, and changes and improves people's life style, and promotes the best relationship between man and nature, namely, optimizing people's life style, and maximizing the nature friendly. In the ANDB exhibition, for the design works from home and abroad, we can taste its unique perspective and creative performance, study the process of design innovation, feel the purpose of design creation, and experience the charm of design works.

The theme of "Asia, cooperation, transcendence, innovation", which is very fit for our country in the economic industry, science and technology has made remarkable progress, in the industrial innovation and upgrading, intellectual property, independent brands, creative industries and other aspects of a more in-depth development of new requirements. Asia, as the most active area in emerging markets, is getting the attention of the whole world, and it is in a new gesture to show the world its charm, and the theme is playing a positive role in the progress of the world.

"Kneading mud makes pottery, only a hollow part appearing can it effect. Cutting trees to build houses with doors and windows, only doors and windows in the walls of the empty part can the house make it a house" The ANDB exhibition is to have a profit, and has provided a broad space for communication, interaction, cooperation, from a new dimension, to form design of the overall image of Asia the efforts marching toward the world. Especially the exhibition is held in Chengdu, which is located in the southwest of China inland, showing a more profound meaning of the organizers and high consideration.

I wish a successful ending of the exhibition heartily
