

ANBD 2022 Phuket Special Exhibition

The ANBD Special Exhibition started in 2017 and has been held continuously ever since.

The first event was successfully held at the 2017 Sapporo Special Exhibition, the 2018 Munich Special Exhibition, the 2019 Colombo Special Exhibition, and the 2020 Jeju Special Exhibition.

The special exhibition in 2021, a year with many changes to our society due to the influence of COVID-19, was held through Virtual ANBD Gallery, demonstrating the role future technology can play in the vast field of art.

This year, we plan to do an in-person exhibition in Phuket again.

We ask for the interest and participation of members from each region in Asia.
